Overseer's Report.

According to custom we herewith submit the Annual Report of the Pauper Department. There is little change to note at the Almshouse. It is now, as for years past, under the charge of Superintendent Allen and his assistants; and we will only say that, as far as this establishment is concerned, it is one with which the citizens of Andover may well be pleased.

The steam and water works give perfect satisfaction, and are of great value to the house. There has been very little sickness there the present year; and only three deaths, and all of those of persons over eighty years of age.

The outside relief has been very much more than we anticipated or asked for at the beginning of the year; the insane asylum bills alone being over $1700. Therefore we have been obliged to exceed our appropriation over $900. About $300 of this amount was for bills contracted in 1885, but not presented for payment in time to come into last year's account. All bills for the insane have been paid to January 1, 1887. Of the amount paid, $500 will be reimbursed by other cities and towns.

An appropriation of $3500 will be required for the ensuing year.

Report of the Chief Engineer

OF THE

Fire Department.

To the Board of Selectmen:

Gentlemen, — In accordance with the Regulations of the Fire Department I submit the following Report.

The force of the Department consists of five Engineers, sixteen members of Andover Steamer No. 1, sixteen members of J. P. Bradlee Steamer No. 2, and ten members of B. F. Smith Hook and Ladder company.

The apparatus consists of one third-class steam fire-engine, one sixth-class steam fire-engine, one hand-engine, with hose-carriages for each; also a one horse hose-carriage. There is at each house a supply of hooks, ladders, ropes, etc. We have about four thousand and four hundred feet of hose.

There has been added to the Department the past year one sixth-class steam fire-engine.

There have been seven alarms of fire during the year, as follows:

Jan. 15, 1886.	Alex. Lamont, house.	
Jan. 17, 1886.	Mrs. Jeremiah Goldsmith, house, shed, and barn. Insurance paid on same and contents,	$3550 00
Feb. 28, 1886.	Christ Church. Insurance paid,	6000 00
April 10, 1886.	Pemberton Mill, Lawrence; to which the men and steamer responded and rendered good service.	

April 26, 1886. Brush fire in west part of Town.
Sept. 28, 1886. Craighead and Kintz Manufacturing Co.
Oct. 7, 1885. J. P. Bradlee Mills. Insurance paid.

The supply of water has been materially increased the past year, and as far as it reaches gives ample supply, with a natural pressure of about twenty-eight pounds. But we hope the Town will see the necessity of extending the system this current year, in accordance with the recommendation of the Water Committee.

There has been some extra expense on Andover Engine, such as new pump, broken piston-rod, and new piping, which entailed an outlay of about three hundred dollars. Consequently there are some outstanding bills against the Fire Department.

I would recommend that $2500 be appropriated for the running expenses of the Fire Department the ensuing year.

Andover, Feb. 1, 1887.

Report of Cemetery Committee.

The Cemetery Committee herewith submit their Annual Report, with statement of receipts and expenditures for the year ending February 7th, 1887.

There has been built in continuation twenty rods of face wall on the south-westerly side of the premises, and over twelve hundred loads of gravel removed. The walks and avenues have been cleaned.

No wood has been sold during the past year. Nine burial lots have been disposed of during the year.

The face wall needs to be extended, and other improvements made to keep this public repository of the Town in keeping with good taste, and in conformity with public sentiment.

We therefore respectfully ask for the usual appropriation of $300, together with the proceeds of such sales as may be made from the premises during the ensuing year.

Fifteenth Annual Report

OF THE

Trustees of Memorial Hall.

SINCE our last report Mr. John Smith, the original projector and founder of Memorial Hall, has passed away from this world, full of years. This is not the place to speak at length of him whom all have delighted to honor. His benevolent thoughts and actions are too well known to need rehearsing. But it is the privilege of the Trustees to speak of the peculiar satisfaction with which they have received and hung in Memorial Hall a life-like portrait of its worthy benefactor. At a meeting of the Town, held May 3d, 1886, a communication from Mr. Joseph W. Smith made known the following item in the will of his father: "I give and bequeath my portrait, to be presented by my executors, framed, to the inhabitants of Andover, as a token of my abiding interest in the town of my adoption." After some remarks, expressing the Town's high appreciation both of the gift and the giver, from the Rev. Charles Smith and others, it was voted that the portrait be accepted and placed in the Memorial Hall, under the care of the Trustees of that building. The picture, which is a most excellent work, painted a few years ago by Mr. Edgar Parker of Boston, was hung by the Trustees in the upper hall, on May 19th, the ninetieth anniversary of Mr. Smith's birth-day.

Another most appropriate gift has been received since our last report from Mr. George W. W. Dove. It consists of

forty framed sketches, giving the actualities of campaign life in the War of the Rebellion. They are by an artist who had a keen feeling for the real, if sometimes unromantic, side of that which he drew. They are already in the possession of the Trustees, and as soon as the standards necessary for their exhibition are finished, they will be placed in the upper hall. A more valuable and interesting contribution to the history of the great struggle which our hall commemorates could hardly have been made.

The annual examination of the building and library have shown both to be in good order. Insurance for the usual time has been renewed this year.

Respectfully submitted,
